CITY CODE OF THE CITY OF EL MIRAGE, ARIZONA

Section 50.016 Grounds for Rejection of Application

The City may reject any application for water service for any good and sufficient reason including the following: service not available under a standard rate; service which involves excessive service expense; service which may effect the supply to other customers; service to the premises until all charges against said premises then due and payable to the City shall have been paid, whether on account of water service connection, meter installation, billing for water previously supplied to the same premises, whether used by the applicant or against the premises for which water service is requested.
