

CURBSIDE TRASH AND RECYCLE COLLECTION IS CHANGING TO SAME DAY COLLECTION

The City of El Mirage is changing the way trash and recycling containers are collected. Starting May 6, 2013 both trash and recycling containers will be collected on the same day.

The City will be divided into two sections: Section 1 (Eastside of El Mirage Road) being collected on Mondays and Section 2 (Westside of El Mirage Road) will be collected on Thursdays. Starting in May residents will need to place both their trash and recycle containers curbside on your new scheduled day.

Benefits to residents:

- Once a week collection keeps the neighborhoods looking nicer and container free for six days a week!
- Only one day a week to remember to place containers out and bring them back in!

SECTION #1 -East of El Mirage Road will have both the trash and recycling containers collected starting on Monday, May 6, 2013.

SECTION #2 - West of El Mirage Road will have both the trash and recycling containers collected starting on Thursday, May 9, 2013.

Please contact Customer Service (Water Billing) at 623-933-1228 if you have any questions or need assistance in determining which section your house is located in.

West of El Mirage Rd East of El Mirage Rd

(Effective May 6, 2013)
