## City's FTZ important to business growth

In recent weeks, El Mirage became part of a multi-city collaborative in the West Valley known as the Greater Maricopa Foreign Trade Zone. Foreign trade zones (FTZ's) are government-designated sites where foreign and domestic goods may be stored, assembled, or exhibited for sale without being subjected to U.S. Customs duties and excise taxes. In Arizona, state laws also provide reductions in real and personal property taxes to businesses that qualify for location in these zones. Reductions in such fees are particularly beneficial to U.S.

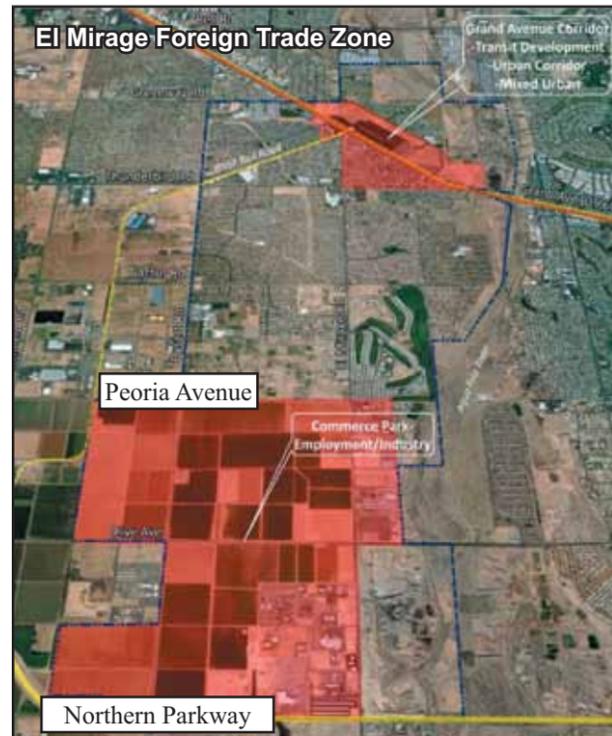

businesses engaged in eligible import/export activity within an FTZ, as well as local businesses involved in international commerce with plans for expansion.

Economic development directors throughout the West Valley have long supported creation of the GMFTZ because of the enhanced opportunities it offers for new business development and job creation. Luke Air Force Base, Maricopa County, and Dysart Unified School District are just some of the region's stakeholders lending their support to zone creation. Currently, there are

Mayor Lana Mook

seven approved or pending FTZ's in the West Valley. The El Mirage site, approved in September, is illustrated in the lower, red section of the accompanying map. The site consists of approximately 400 acres

zoned for commercial and industrial use south of Peoria Avenue. The El Mirage FTZ is an integral part of the City's economic development future, since it enhances our competitive edge in a region and in a state where businesses have significant choices concerning where they wish to locate.

More information about the FTZ may be found at [www.westmarc.org/files/images/GMFTZ-summary-brochure.pdf](http://www.westmarc.org/files/images/GMFTZ-summary-brochure.pdf). Citizens will be kept informed via the El Mirage Newsletter as business activity in the El Mirage FTZ expands.

## Improvements at Wastewater Reclamation Facility provide security and beauty

The City completed new security enhancements at the Public Works Wastewater Reclamation Facility located at 10355 N. 121st Avenue that really bring a fresh look to the area. The improvements included the design and construction of a partial block perimeter wall, security cameras, nice gabion attributes, and a steel controlled automated gate. The facility is easily identified by the clean lettering on the wall and the installation of gabions provides an enhanced appearance to the wall.

In the past, there had been several occasions of unlawful trespassing, thefts, and property damage to the facility. Since replacing the see through chain link fence with a block wall, the City has

not experienced any losses or trespassing at the property. Employees now have the ability to control and monitor the gate before anyone is allowed entrance into the facility. Having this function ensures the safety to employees, minimizes theft, and secures the facility.

The block wall design and gabion attributes are consistent with the new theme of El Mirage. The aesthetics of the facility are a great beginning in the transformation of this industrial corridor.

Deputy City Manager/Public Works Director Larry Dobrosky with Mayor Lana Mook

## Inaugural Relay for Life El Mirage a huge success

Survivor Chair Richard Perry leads the survivors during the Survivor Lap.

The Inaugural American Cancer Society Relay for Life El Mirage was held on Sept 21-22, 2013 at Gateway Park. This year's Relay had 16 teams, over 200 participants and volunteers, and raised \$15,575.00. The event was filled with laughter, tears, entertainment, games, music, and of course, walking. The Relay committee would like to thank the many sponsors and volunteers that helped make this event a success!

Relay for Life is an overnight team-based community fundraising walk to raise funds and awareness about cancer. The Relay for Life theme is Celebrate, Remember, Fight Back which features during a Survivor Lap to help celebrate those who have survived cancer, a very moving Luminaria Ceremony to remember those who have passed, and a Fight Back dedication from everyone to do what we can to fight back against cancer.

The committee will begin preparations for Relay for Life 2014 soon. Contact Beth Simek at [elmiragerfl@gmail.com](mailto:elmiragerfl@gmail.com) if interested in being part of the planning committee. For more information about Relay for Life El Mirage go to [www.relayforlife.org/elmirageaz](http://www.relayforlife.org/elmirageaz).

## El Mirage Police and Fire Personnel Honored

On October 8, El Mirage Police and Fire personnel were honored by Sun City Elks Lodge #2559 at its annual Fire-Law & Order Recognition Program. Police Detective David Swingle was recognized for his exceptional investigative work and Firefighter/Paramedic John Renslow was honored for the rescue of an incapacitated woman from a smoke-filled house. Congratulations Detective Swingle and Firefighter Renslow.

## Simple Steps to Use 9-1-1

In emergency situations, seconds count. Whether it is a medical emergency, a fire, a crime in progress or a motor vehicle collision with injuries, an informed, calm caller is 9-1-1's best caller. El Mirage's Fire and Police Departments are equipped and ready to respond to citizens' emergencies, but offer these tips to help deliver prompt service.

9-1-1 is for emergencies only. If immediate assistance is needed from police, fire, or medical assistance, call 9-1-1. Misuse of the system wastes resources, ties up the phone lines, and delays assistance to those who have an actual emergency.

When a call is made to 9-1-1, the caller should be prepared to answer the call-takers questions. Staying calm will help the call-taker to accurately hear and understand the emergency. The first question is, "What is the emergency?" This helps direct the request to the proper agency. The next critical piece of information is the location of the emergency, including an address. This is followed by asking for the phone number the caller is calling from in case the phone connection is lost. The call-taker will have the ability to call back.

The call-taker will then ask for details of the emergency such as the physical description of a person who committed a crime, a description of any fire that may be burning, or a description of injuries or symptoms being experienced by the person having a medical emergency. In cases of fires or medical emergencies, the caller will be transferred to the fire department dispatch center and will be provided instructions such as CPR or first aid methods until help arrives. The caller should not hang up until the call-taker instructs the caller to do so.

"Parents should teach their children when and how to use 9-1-1 properly," according to Howard Munding, El Mirage Fire Chief. "Several lives have been saved thanks to kids who were prepared." "Mistake calls to 9-1-1 do occur on occasion," El Mirage Police Chief Steve Campbell stated. "If 9-1-1 is dialed by mistake when no emergency exists, do not hang up. Simply explain to the call-taker that you do not have an emergency," he added.

# Insights - Boots to Business! A Great Opportunity

By **TOM DOYLE,**  
ECONOMIC DEVELOPMENT  
SPECIALIST

The Small Business Administration (SBA) is providing a new Transition Assistance Program (TAP) called Boots to Business. The opportunity is available to active duty members leaving the military having a desire to start their own business. The program includes the following:

- Transition Goals, Plans, Success (GPS)/The Entrepreneurship Track: All service members attending will gain exposure to entrepreneurship by viewing a 10-minute video.
- Introduction to Entrepreneurship: An intensive 2-day entrepreneurial class taught by an SBA Representative/SBA Resource Partner at a local military installation. The class will educate partici-

pants on business fundamentals and guide them through an initial feasibility analysis of their business concept.

- Foundations of Entrepreneurship Course: Upon completion of the "Introduction to Entrepreneurship" track, transitioning service members have the option to further study through an instructor-led, 8-week online course offered by the Institute for Veterans and Military Families, Syracuse University. Completion of the 8-week online course will require approximately 10 hours of study each week and walk participants through the fundamentals of developing a business plan.

After completing Boots to Business, participants will have the tools and knowledge they need to identify a business opportunity, draft a business plan, and launch their enterprise.

According to the most recent U.S. Census Data, veteran owned firms represent 9 percent of all U.S. firms. These 2.45 million veteran-owned businesses employed over 5.8 million individuals. The SBA states, "Transitioning service members are natural entrepreneurs, possessing the training, experience, and leadership skills to start businesses and create jobs."

The program will be a great opportunity to bring new business start-ups to El Mirage and the West Valley. Retired veterans tend to live and work near military installations because of medical and other services (e.g. commissary, base exchange, and more.). The Boots to Business Program will connect future veterans with other successful veteran owned businesses.

Economic Development has three primary ways to

improve local economies: business attraction, retention/expansion, and business development. Boots to Business helps veterans and the community that supports them with new business development, creation of new jobs, generation of sales tax revenue, and improved quality of life for residents. Join me in welcoming military veteran business owners to El Mirage by supporting them with their transition into civilian life and entrepreneurship.

# FOCUS ON THE FIRE DEPARTMENT

## News from the El Mirage Fire Department

13513 N. El Mirage Road • 623-583-7968 • www.cityofelmirage.org/fire

Operations and Administration open 8 a.m. to 5 p.m. Monday through Friday

## Fire Hydrant Testing Underway in El Mirage

The El Mirage Fire Department is conducting annual inspections and flushing of all City-owned fire hydrants over the next three to six months to ensure hydrants remain in proper operating condition. Fire hydrant flushing will occur between

8 a.m. and 5 p.m. and will not impact water customers.

The routine testing program involves flushing water under high pressure through fire hydrants to help sustain hydrant reliability and water quality.

Residents may assist the fire department and improve neighborhood safety by keeping areas around fire hydrants clear of landscape and other potential obstructions. City Fire Code requires a minimum three-foot clearance around hydrants.

For information, contact the El Mirage Fire Department at 623-583-7968.

Captain Joe Fusco and Firefighter Darrell Tirpak Conduct Hydrant Testing

## STOP Flu season is here

The Arizona Department of Health Services and the Maricopa County Department of Public Health confirmed the first flu case of the 2013 season - an unvaccinated child with influenza type B.

The Centers for Disease Control and Prevention (CDC) recommends that everyone 6 months and older get the flu vaccine. This year, a newly-available vaccine will protect against four different flu viruses - two A strains (an H3N2 and H1N1 strain) and two B strains.

Last year, Arizona had more than 11,000 lab-confirmed flu cases and 4 children died from influenza. Maricopa County alone reported more than 5,600 lab-confirmed cases and there were no child deaths. The numbers of adults who die from influenza are not individually reported to the State.

Preparation includes getting the flu vaccine and being vigilant about good hygiene - covering coughs in sleeves, washing hands frequently and staying home when sick. For more information, visit StopTheSpreadAZ.

Officer Scott Duncan

## EL MIRAGE WELCOMES NEW POLICE OFFICER

El Mirage is proud to welcome a new police officer. Officer Scott Duncan was sworn in by Police Chief Steve Campbell on October 2. Officer Duncan has approximately 11 years of experience as a police officer.

## El Mirage Officer Receives MADD Award

Police Officer Chris Culp was honored by MADD (Mothers Against Drunk Driving) at the 2013 MADD DUI Law Enforcement Awards Dinner on

September 20, 2013. Officer Culp was recognized for his commitment to stopping drunk driving. Officer Culp and other El Mirage officers regularly attend area DUI Task Force events, coordinating efforts with other agencies, as well as actively patrolling the streets of El Mirage. These efforts are supported largely by grant funds supplied by the Arizona Governor's Office

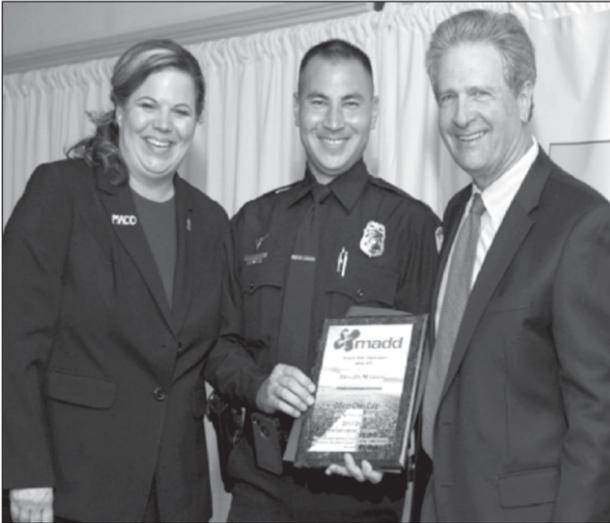

of Highway Safety.

## Online Crime Tool Now Available!

Interested in reviewing crime statistics or receiving alerts about recent police activity? The El Mirage Police Department is now uploading police data to www.crimemapping.com. On this website, visitors can view incidents, see statistical reports on activity, and register for email

alerts.

Crimemapping.com is an exciting tool for citizens to utilize and the Police Department looks forward to hearing citizens' feedback. For questions or comments, contact Crime Analyst Aimee Currey at 623-433-9519 or acurrey@cityofelmirage.org.

Pictured with Officer Culp are Jen Godbehere, Development Director for MADD AZ, and Stan Marks, Attorney and Founder of MADD

# El programa de Community Uplift Program

El programa de Community Uplift Program está buscando algunas propiedades que están en necesidad de un poco de mantenimiento. Este programa de El Mirage ofrece asistencia a los propietarios u ocupantes de las viviendas que son ancianos, discapacitados o simplemente pasando por unos momentos económicos difíciles y necesitan ayuda para mantenerse al día con el trabajo en el exterior de su propiedad. Este comité proveerá, sin costo alguno para el dueño

de la propiedad, una nueva capa de pintura en la casa, jardinería y limpieza en general del exterior de la propiedad. Todo el trabajo es realizado por voluntarios de la comunidad y todos los materiales son donados!

Si usted necesita ayuda con su casa, y su casa tiene 15 años o más, recoja una solicitud del City Hall de El Mirage, de la Estación de Bomberos o en el Dysart Community Center. El completar la solicitud no garantiza que su casa va a ser seleccionado, las propie-

dades con mayor necesidad serán seleccionadas primero. Este será un programa de todo el año, así que si usted no es seleccionado en esta ocasión, se puede aplicar de nuevo!

Anime a sus vecinos para aplicar y mejorar el valor de su propia propiedad!

Para más información o preguntas acerca de cómo unirse al comité de ciudadanos que supervisan el programa de Community Uplift Program, contactar a Mary Dickson- 623-251-3508 o

para español 623-251-3503 y por correo electrónico mdickson@cityofelmirage.org y visite la página <http://www.cityofelmirage.org/DocumentCenter/View/1345>.

Para ser voluntario, ofrecer talento o materiales para este programa, póngase en contacto con Tina de Revive- 623-688-0347 o tinar@helprevive.us. El programa Community Uplift Program se complace en tener como socios a el Dysart Community Center y Revive, 'Trabajando para unir a las comunidades a la vida'.
