El Mirage Community Garden Sows New Seeds

El Mirage Community Garden

[El Mirage, AZ October 6, 2017] – On October 4, 2017, the City of El Mirage held the Community Garden Grand Re-Opening.

The El Mirage Community Garden offers opportunities for gardeners of all levels to plant and harvest their own produce in raised garden boxes that are available to rent. Community gardens also add value to communities by increasing access to fresh fruits and vegetables. Mayor Lana Mook said, “Spaces like these increase community pride and offer a great place for recreation and learning.”

The new garden is located at 14010 N. El Mirage Road near the El Mirage Senior Center. For more information on the El Mirage Community Garden or to rent a garden box contact Autumn Grooms at (623) 876-2973 or agrooms@elmirageaz.gov.
